GOVERNMENT OF INDIA • MINISTRY OF LABOUR

ISSUED BY THE CENTRAL BOARD OF TRUSTEES, EMPLOYEES' PROVIDENT FUNDS SCHEME

**Office of the Central Provident Fund Commissioner,  
Gurdwara Road,  
New Delhi.**

---

FROM

SHRI S. N. MUBAYI,  
*Secretary,  
Central Board of Trustees,  
Employees' Provident Fund.*

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,  
MINISTRY OF LABOUR, NEW DELHI.

SUBJECT : *Annual Report on the working of the Employees' Provident Funds Scheme  
for the year ending the 31st March, 1955.*

Sir,

I am directed by the Central Board of Trustees, Employees' Provident Fund to submit herewith a report on the working of the Employees' Provident Funds Scheme, 1952 for the year ending the 31st March, 1955 as required under paragraph 74 of the Scheme. A classified summary of the assets of the Fund is appended (Appendix I).

2. *Central Commissioner.*—During the financial year covered by the report Shri S. Neelakantam held charge of the office of Central Provident Fund Commissioner. In view of Shri Neelakantam's impending retirement on the 20th October, 1955 on superannuation and the increase in the volume of work, the Chairman decided that Shri Neelakantam should deal with the problems arising from the proposed extension of the Employees' Provident Funds Act to other industries and amendments to the Employees' Provident Funds Act and to the Scheme and the rest of the work should be done finally by Shri S. N. Mubayi, Deputy Provident Fund Commissioner. Shri Neelakantam was appointed as Joint Secretary to the Government of India, Ministry of Labour with effect from the 13th August, 1955. Shri Mubayi took over the charge of the post of the Central Provident Fund Commissioner. Shri Neelakantam retired from service on the 20th October, 1955. The post of Deputy Provident Fund Commissioner has remained unfilled since its vacation by Shri Mubayi.

3. An account of the events leading to the introduction of the Provident Funds Scheme for industrial workers of six industries, viz., cement, cigarettes, electrical, mechanical or general engineering products, iron & steel, paper and textiles was given in the report for the previous year. Since the enforcement of the Scheme on the

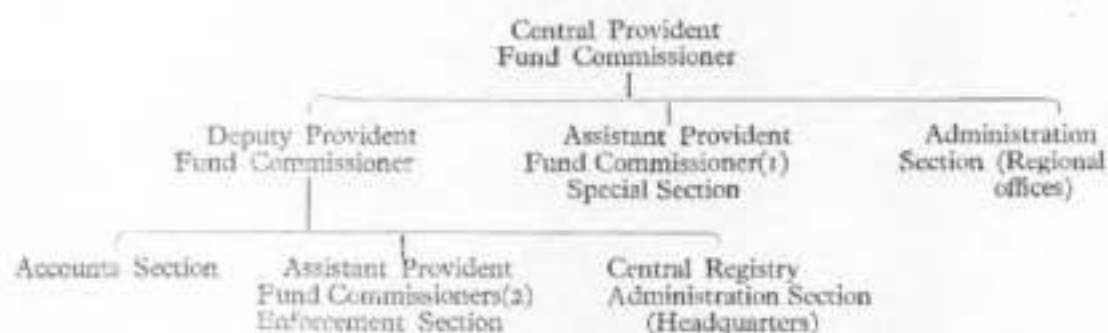

1st November, 1952 there has been a sustained and widespread demand for its extension to other industries and action taken towards meeting this demand has been indicated elsewhere in this report.

## II

### ADMINISTRATION OF THE SCHEME

4. *Central Office.*—The administration of the Employees' Provident Funds Scheme vests in an autonomous body called the Central Board of Trustees whose composition is given elsewhere. The Chief Executive Officer of the Board is the Central Provident Fund Commissioner who is assisted by a Deputy Provident Fund Commissioner and three Assistant Commissioners. Shri N.C. Rudra, Central Accounts Officer, Delhi held the post of part-time Deputy Provident Fund Commissioner, in addition to his other duties till the 16th October, 1954. Shri S. N. Mubayi, Coal Mines Provident Fund Commissioner took over from Shri Rudra as Deputy Provident Fund Commissioner with effect from the 17th October, 1954. In addition to the two Assistant Provident Fund Commissioners, viz., Sarvashri P. S. Dhotrekar and K. M. Tripathi, who continued in their posts since the inception of the Scheme Shri Virendra Prasad, Provident Fund Inspector, Delhi State was appointed as Assistant Provident Fund Commissioner with effect from the 21st January, 1955. The organisational set up of the Central Office is illustrated in the following chart:—

(Chart No. 1)

5. The Central Office continued to function as controlling and co-ordinating body for the twenty regional offices spread over the whole country. While the Enforcement Section of the Central Office looked after the questions relating to implementation of the Act and the Scheme and exemption to factories, the Accounts Section was controlling the investments and accounts sections of regional offices. A special section was created to deal with the work pertaining to amendments of the Act and the Scheme, extension to other industries, decentralisation etc. The staff position of the Central Office at the end of the period under report is shown in Part I of the statement (Appendix II).

6. *Regional Commissioners*.—For purposes of administration of the Act and the Scheme, 20 regional offices, which function as basic field offices were set up. While 19 offices were under the supervision of Regional Provident Fund Commissioners, one was under the charge of Provident Fund Inspector. The names of Regional Commissioners who held the charge during the year 1954-55 are as under :—

Regions	Names
1. Ajmer . . . . .	Shri O. N. Sharma.
2. Andhra . . . . .	Shri C. R. Reddy.
3. Bhopal . . . . .	Shri Mamnoon Hasan Khan.
4. Bihar . . . . .	Shri B. P. Singh, I.A.S.
5. Bombay . . . . .	Shri H. P. Bhargava.
6. Delhi . . . . .	Dr. B. R. Seth.
7. Hyderabad . . . . .	Shri Mehdi Ali Mirza.
8. Madhya Bharat . . . . .	Shri B. S. Arora.
9. Madhya Pradesh . . . . .	Shri P. K. Sen.
10. Madras . . . . .	Shri A. M. Saverinathan, I. A. S.
11. Mysore . . . . .	Shri Mohd. Rehmatullah.
12. Orissa . . . . .	Shri T. Mahapatra.
13. PEPSU . . . . .	Shri Paramjit Singh.
14. Punjab . . . . .	Shri D. N. Nigam.
15. Rajasthan . . . . .	Shri S. N. Shukla.
16. Saurashtra . . . . .	Shri D. K. Badheka.
17. Travancore-Cochin . . . . .	Shri A. Kunju Krishna Pillai.
18. Uttar Pradesh . . . . .	Shri O. N. Misra, I.A.S.
19. West Bengal . . . . .	Shri D. Mallik.

7. The Kutch regional office was supervised by Shri R. P. Shukla, Provident Fund Inspector. In Himachal Pradesh there is only one factory covered by the Act, viz., Nahan Foundry Ltd., Nahan ; its exemption under section 17 of the Employees' Provident Funds Act, 1952 is under consideration. Pending appointment of a Regional Commissioner in that State, the Regional Provident Fund Commissioner and the Provident Fund Inspector, Punjab were appointed as Inspectors for that region.

### ORGANISATION OF REGIONAL OFFICES

8. The Regional Commissioners are assisted by Provident Fund Inspectors and in the larger regions by one or more Accounts Officers. Some of the smaller regions have been affiliated to the neighbouring big regions for purposes of the maintenance of accounts. Generally, a regional office consists of two sections—(i) Enforcement and (ii) Accounts. The enforcement section attends to the work entailed in the implementation of the Act and the Scheme in the factories covered thereunder in a

region. The Provident Fund Inspectors constitute the senior staff on this side of the office. The Accounts section which deals with the receipt of provident fund monies, posting of accounts, issue of annual statements of accounts and settlement of refund claims, etc., is headed by Accounts Officer/Superintendent. The chief executive officer in a regional office is the Regional Provident Fund Commissioner who, in addition to adequate and effective inspection of factories at prescribed intervals, co-ordinates and controls the work of both Enforcement and Accounts Sections. He is thus responsible for the effective implementation of the Act and the Scheme and proper maintenance of accounts in his region.

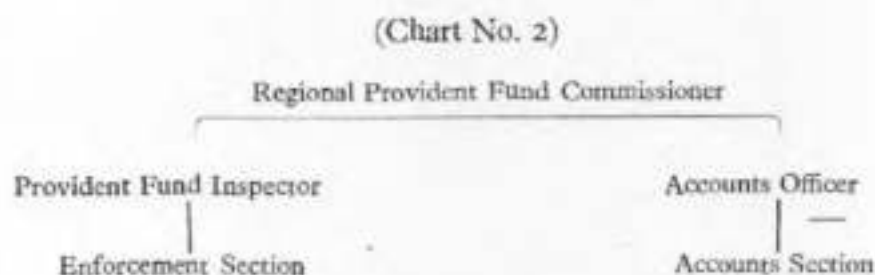

9. In addition to the eight Accounts Offices set up by the end of 31st March, 1954 in Bombay, Bihar, Delhi, Madhya Bharat, Madhya Pradesh, Madras, Uttar Pradesh and West Bengal, four more Accounts Offices were set up in the States of Hyderabad, Mysore, Rajasthan and Saurashtra as these four regions were previously affiliated to other regions. The Central Accounts Office, Delhi maintained the subscribers' accounts for Ajmer, Bhopal, Pepsu, Kutch and Punjab besides those for Delhi.

10. *Accounts Officers.*—In the initial stages the Accounts Officers were drawn from the Defence Accounts Department. With a view to replacing the superannuated Accounts Officers by younger persons, eight posts of Accounts Officers were advertised through the Union Public Service Commission during December, 1954. The Commission held the interviews in February, 1955. Although eight candidates were selected for the posts of Accounts Officers under the Employees' Provident Funds Organisation, only 2 joined the post and the rest either refused to join or their parent departments did not spare their services. The Union Public Service Commission was accordingly again requested to recommend some more candidates for the posts of Accounts Officers from the reserve list. The Commission suggested the names of three candidates and two of them have since joined the Organisation. With the appointment of four new Accounts Officers the services of four superannuated Accounts Officers were terminated. The Union Public Service Commission has, however, been again approached for advertising the posts of four more Accounts Officers. The names of Accounts Officers and the Provident Fund Inspectors under the Fund have been shown in parts I and II of Appendix III.

11. *Staff in Regional Offices.*—The ministerial staff of the accounts sections who were borrowed from the Defence Accounts Department are gradually being reverted to their parent department. The new staff recruited in their places were imparted training before their posting to the accounts sections. The detailed staff position in the regional offices together with an organisational chart showing the strength of the

officers of the organisation has been given in the statement under Part II of appendix II and appendix IV respectively.

The organisation of a typical regional office is as under :—

Except in small regions the regional offices have also the usual Central Registry and Cash Sections.

### CENTRAL BOARD OF TRUSTEES

12. *Composition.*—In accordance with sub-paragraph (i) of paragraph 3 of the Employees' Provident Funds Scheme the Central Board of Trustees was constituted on the 31st October, 1952. It consists of three officers nominated by the Government of India from the Ministries of Labour, Finance and Commerce & Industry, six representatives each of employers' and employees' organisations and one representative each of the five industrially advanced States, *viz.*, Bombay, Bihar, Madras, Uttar Pradesh and West Bengal. The Secretary to the Ministry of Labour is the Chairman of the Board. By the end of the period under review the Board consisted of :—

#### *Chairman.*

- (1) Shri Vishnu Sahay, I.C.S., Secretary to the Government of India, Ministry of Labour, New Delhi.

#### *Nominees of Central Government.*

- (2) Shri N. S. Mankikar, Chief Adviser of Factories, Ministry of Labour, Government of India, New Delhi.
- (3) Shri R. S. Krishnan, Deputy Secretary to the Government of India, Ministry of Finance, New Delhi.
- (4) Shri B. B. Saxena, Deputy Secretary to the Government of India, Ministry of Commerce & Industry, New Delhi.

*Nominees of State Governments*

- (5) Shri J. D. Kapadia, I.C.S., Secretary to the Government of Bombay, Development Department, Secretariat, (Annex.) Fort, Bombay-1.
- (6) Shri K. R. Das Sarkar, Deputy Secretary to the Government of West Bengal, Labour Department, Calcutta.
- (7) Shri V. Balasundaram, I.A.S., Labour Commissioner, Government of Madras, Development Department, Fort St. George, Madras.
- (8) Shri K. N. Singh, I.A.S., Secretary to the Government of Uttar Pradesh, Labour Department, Lucknow.
- (9) Shri R. S. Pande, I.A.S., Officer on Special Duty, Political Department, Government of Bihar, Patna.

*Employers' representatives*

- (10) Shri J. H. Patel, Managing Director, The Associated Cement Companies Ltd., 1, Queens Road, Bombay-1.
- (11) Shri A. Rajagopalan, Agent, The Tata Iron & Steel Company Ltd., 23-B, Netaji Subhash Road, Calcutta.
- (12) Shri B. K. Rohtagi, 45, Armenian Street, Calcutta.
- (13) Shri M. L. Bagla, Swadeshi Cotton Mills Ltd., Kanpur.
- (14) Shri Shital Prasad Jain, 11, Clive Row, Calcutta.
- (15) Shri M. L. Tapuriah, Kamala Mills Co., Ltd., Bombay.

*Employees' representatives*

- (16) Shri Michael John, President, Tata Workers' Union, 17-K Road, Jamshedpur.
- (17) Shri G. D. Ambekar, President, I.N.T.U.C., Mazdoor Manzil, Parel, Bombay.
- (18) Shri Kali Mukherjee, M.L.A., 32-B Girish Mukherjee Road, Calcutta.
- (19) Shri B. S. Mahadeo Singh, C/o Hyderabad State Mazdoor Sabha, Old Jail Market Street, Secunderabad (Deccan).
- (20) Shri Tushar Chatterjee, M.P., 54, North Avenue, New Delhi.

13. Shri Vishnu Sahay, I.C.S., Secretary to the Government of India, Ministry of Labour continued as Chairman of the Board for the period under review. But for the nomination of Shri V. Balasundaram, I.A.S., Labour Commissioner, Madras in place of Shri C. G. Reddy there was no change in the official nominees of the Board.

14. Amongst the employers' representatives, Shri G. D. Somani, M. P., was replaced by Shri Motilal Tapuriah, Kamala Mills, Bombay with effect from the 14th July, 1954. Of the employees' representatives Shri Rajaram Shastri's resignation was accepted by the Central Government with effect from the 21st September, 1954. Another representative had not been nominated in his place by the 31st March, 1955.

15. *Meetings of the Board.*—During the period under report the Central Board of Trustees met twice at New Delhi on the 8th November, 1954 and 28th March, 1955 respectively under the chairmanship of Shri Vishnu Sahay, I.C.S. The fourth meeting held on the 8th November, 1954 declared an interest of 3% on the provident fund accumulations of the members of the Fund for the year 1954-55. The Board recommended to the Central Government that the Employees' Provident Funds Organisation be made permanent and that all supervisory posts in the regional offices and 60 per cent of the ministerial staff be made permanent. The Board also recommended that the money order commission on remittances of provident fund accumulations to members of the Fund should be met out of the forfeiture account instead of being deducted from the amounts remitted and that 25% of the members' contributions may be advanced to them from forfeiture account in urgent cases where no or inadequate deposits have been made by employers. Another important recommendation at the fourth meeting of the Board related to the exemption of such handloom factories from the purview of the Act and the Scheme as had formed into co-operative societies where membership consisted predominantly of handloom workers. At their fifth meeting held on the 28th March, 1955 the Board approved the annual budget of the Employees' Provident Funds Organisation for the year 1955-56 and recommended to Central Government that for the same year interest be credited @ 3½% on the provident fund accumulations of members of the Fund. The Board also recommended that the Act should be extended to banks, insurance companies, shops and establishments and to the employees of the Local Self Government in addition to the factory industries tentatively selected for being brought under the Act.

## REGIONAL COMMITTEES

16. As stated in the previous report, regional committees set up under paragraph 4 of the Employees' Provident Funds Scheme were functioning in the States of Bombay, Bihar, Madhya Bharat, Madras, Uttar Pradesh and West Bengal. The Regional Provident Fund Commissioners of the States where regional committees were functioning acted as their Secretaries. These Committees are required to advise the Central Board of Trustees on such matters as may be referred to them by the Board or otherwise pertain to administration of the Scheme in their regions.

17. *Meetings of Regional Committees.*—During the period under review only the Regional Committee for Bihar met on the 18th December, 1954 and *inter alia* resolved that the Central Board might be approached to decentralise the administration of the Scheme with effect from the 1st April, 1955. No other Regional Committee could meet during the period. The Regional Committee for Madras was reconstituted on the 25th March, 1955. The constitution of the Regional Committees for the six States is shown in appendix V.

18. *Meetings of Regional Provident Fund Commissioners & Accounts Officers.*—During the financial year no meeting of the Regional Provident Fund Commissioners could be held. A meeting of the Accounts Officers was, however, held from the 24th to the 28th February, 1955 for reviewing the working of the Remington Accounting Machines, abolition of contribution cards, revision of forms and returns to be submitted by Regional Provident Fund Commissioners.

### III

#### COVERAGE

19. The Employees' Provident Funds Act and the Scheme framed thereunder are at present applicable to such factories of six scheduled industries employing 50 or more persons as have completed three years since their establishment. Except for excluded employees, those who complete one year's continuous service in a factory to which the Act applies or failing that, work for not less than 240 days during a period of 12 months are eligible for membership of the Fund. The following statement shows the number of factories and employees covered by the Employees' Provident Funds Scheme on the 31st March, 1955 :—

Table No. I

Name of industry	Factories*	Employees*
1. Cement . . . . .	19	27,713
2. Cigarettes . . . . .	9	10,742
3. Electrical, Mechanical or General Engineering Products . . . . .	599	38,096
4. Iron & Steel . . . . .	81	10,719
5. Paper . . . . .	20	5,807
6. Textiles . . . . .	626	3,60,819
TOTAL . . . . .	1,354	4,53,896

\*Note :—These figures relate only to non-exempted factories, i.e., factories covered by the Employees' Provident Funds Scheme.

20. Of the total employment of 5,26,071 persons in the factories covered by the Employees' Provident Funds Scheme 4,53,896 or 86% were members of the Fund. The Bombay region had the maximum number of factories covered by the Employees' Provident Funds Scheme, *viz.*, 458 factories with 1,81,868 members of the Fund. Next in order of strength come Madras and West Bengal with 191 and 249 factories and 85,312 and 32,260 members respectively. Kutch is the smallest region with only 2 factories and 309 members of the Fund. In Bhopal although only one factory is covered under the Scheme the number of members of the Fund therein is 2,319. A statement showing the names of factories, their total employment strength and number of members covered by the Act and the Scheme is appended at page 35—109 (Annexure VI.)

## CONTRIBUTIONS

21. The contribution paid by a member of the Fund is one anna per rupee of his total basic wages, dearness allowance and value of food concessions ; an equal amount is paid by the employer. During the year 1954-55 the total amount of provident fund contributions due to be received from factories covered by the Employees' Provident Funds Scheme was Rs. 6.15 crores and the amount received was Rs. 5.62 crores which shows an increase of Rs. 53 lakhs, over the contributions received during the preceding year. A sum of Rs. 53 lakhs was outstanding from the defaulting factories on the 31st March, 1955. Of this, a sum of Rs. 15 lakhs had been realised till the 31st December, 1955.

22. *Past accumulations.*—During the year a sum of Rs. 94.53 lakhs was received in the shape of cash and Government Securities from factories on account of the past accumulations of subscribers on their coverage under the Scheme.

## IV

### ADMINISTRATIVE AND INSPECTION CHARGES

23. The expenses of administration of the Fund are met from the levies of administrative and inspection charges from employers of both non-exempted and exempted factories @3% and 3/4% respectively of the total amount of provident fund contributions subscribed both by employees and employers during a month. A sum of Rs. 16.35 lakhs was received during the year by way of administrative charges from non-exempted factories and a sum of Rs. 9.33 lakhs was received as inspection charges from exempted factories.

## INCOME & EXPENDITURE OF THE FUND

24. Administrative and inspection charges are generally deposited in the respective branches of the State Bank of India and credited to the State Administration Account (Account No. 2) of different regions. 1/6th share out of this amount is transferred to the Central Administration Account (Account No. 4) which is meant for meeting the expenditure of the central office. The balance left in the State Administration Account is utilised by Regional Commissioners for meeting the expenses incurred in the administration of the Fund in their regions.

25. Information regarding the probable receipts and estimated expenditure is collected three months in advance of the budgetted year from the Regional Commissioners and a budget is prepared for the Organisation and submitted to the Central Board of Trustees for approval. The budget is then submitted to the Government of India for sanction. The budget allotment for each region is fixed thereafter to indicate the amount upto which Regional Commissioners can incur the expenditure in their regions. Proper vigilance is exercised by the Central Office in regard to the budgetted expenditure incurred by the regional offices by calling for periodical reports. The income and expenditure of the Organisation during the year 1954-55 were as under :—

<i>Income</i>	<i>Expenditure</i>
Rs. 25.68 lakhs	Rs. 20.29 lakhs.

26. Of the total administrative/inspection charges, a sum of Rs. 13.50 lakhs was invested in Central Government securities during the month of February, 1955 in order to augment the amount available for expenses of administration. The investment from Administration Account and interest realised thereon are kept separate from the Provident Fund Account.

## BANKING ARRANGEMENTS

27. As reported during the previous year the State Bank of India (formerly Imperial Bank) having a net work of branches all over the country continued to function as Bankers for the Employees' Provident Funds Organisation, excepting for the Pepsu region, where the Bank of Patiala acts as Bankers to the Organisation. The accounts of the Fund maintained by them are discussed hereunder :—

- (i) *Account No. 1* (Provident Fund Account). All monies payable to the Fund as provident fund contributions by different factories in all the regions are credited to this Account maintained at various branches. The balance in this Account as on the 31st March, 1955 was Rs. 55 lakhs.
- (ii) *Account No. 2* (State Administration Account). Administration and inspection charges collected at various branches of the Bank are credited to

this Account. The balance in the Account as at the end of the year was Rs. 5.24 lakhs after an investment of Rs. 13.50 lakhs in Central Government Securities.

- (iii) *Account No. 3. (Refund Account).* This Account is meant for the final settlement of accounts of subscribers, for paying insurance premia and for refund of contributions to factories which have been granted exemption from the Employees' Provident Funds Scheme. The Account is fed by transfer of funds from Account No. 1 or 5 under instructions of the Central Provident Fund Commissioner. The balance as on the 31st March, 1955 was Rs. 3.42 lakhs. Accounts No. 1, 2 and 3 (except for Pepsu region) are maintained at the branches of the State Bank of India at headquarters of each region.
- (iv) *Account No. 4 (Central Administration Account).* This Account is maintained at the New Delhi branch of the Bank. The credits in this Account consist of transfers of 1/6th of the monthly collections of administrative and inspection charges received in Account No. 2 at different branches of the Bank. This amount is spent by central office for its own administration and for paying subsidies to regions which are not self-supporting. The balance as on the last day of the financial year was Rs. 2.29 lakhs.
- (v) *Account No. 5. (Investment Account).* This Account is maintained at the Bombay branch of the Bank, the details of which have been furnished in paragraph 29. Transfers of funds from this Account are also made to Account No. 3 for purposes of refunds. There was no balance in this Account on the 31st March, 1955 as the entire amount was transferred to the Reserve Bank of India for investment in Central Government Securities.

28. In addition to the accounts maintained by the State Bank of India the central office maintains two proforma accounts which are mentioned below.

- (i) *Account No. 6. (Interest Suspense Account).* All interest and net profits or losses, if any, from the sale of investments are to be credited or debited to this Account. The total amount of interest credited to accounts of the subscribers is also to be debited to this Account. The total amount as at the close of the financial year in this Account was Rs. 28.11 lakhs.
- (ii) *Account No. 7. (Forfeiture Account).* Employers' share of contribution forfeited to the Fund is credited to this Account, details of which have been given under paragraph 35 of this report. The total amount in this Account as on the close of the financial year was Rs. 4.11 lakhs.

## INVESTMENT

29. Ninety-eight percent of the weekly balance available in Account No. 1 (Provident Fund Account) maintained at different branches of State Bank of India in their Account No. 1, is transferred by them every week on different days to their Bombay branch where the Investment Account (Account No. 5) is maintained. The Bombay branch remits on every Thursday the entire amount received from their different branches to the Reserve Bank of India, Bombay for investment in Central Government Securities in the following manner :—

(1) National Savings Certificates . . .	10%
(2) Short Term Securities . . .	10%
(3) Medium Term Securities . . .	30%
(4) Long Term Securities . . .	50%

The Bank of Patiala also remits direct to the Reserve Bank of India 98% of the weekly balance available in Account No. 1 (Provident Fund Account) maintained by it on behalf of the Employees' Provident Fund Pepsu region for investment.

30. Although the investment in short and medium term securities in the ratio of 10% and 30% respectively normally gives a lower yield it was considered advisable to purchase these securities so as to have at any time readily available sum to settle the claims for refund to outgoing members or their nominees. Experience has shown that the current collections of provident fund contributions are many times more than the amount required for refund and as such the Fund is in a position to retain the securities till maturity so as to derive their full benefit. The Reserve Bank of India has been instructed provisionally during the latter part of the year to invest mainly in long term securities apart from 10% of the investments in National Savings Certificates and the Ministry of Finance has been requested to suggest a revised pattern of investment.

31. The securities are kept by the Reserve Bank of India in safe custody and also for collection of interest thereon on due dates for re-investment along with the weekly remittances received from the State Bank of India, Bombay and Bank of Patiala.

## BANK CHARGES

32. After much persuasion the Fund has been able to obtain concessional terms from both the State Bank of India and the Reserve Bank of India. These rates are as under :—

- (i) The State Bank of India is paid commission annually at the rate of  $1/32\%$  on the first two crores of rupees and  $1/64\%$  on the rest for the collection of provident fund contributions and administrative charges etc., in

various regions, maintenance of accounts of the Fund, transfer of collections every week, etc.

- (ii) The Reserve Bank of India is paid brokerage on the basis of 1/16% on the first two crores of rupees and 1/32% on the balance for purchase of securities, safe custody and collection of interest. National Savings Certificates are excluded from computation of the brokerage.

### DECLARATION OF INTEREST

33. Interest for the period of currency is payable to the subscribers' accounts on the opening balances at their credits. The accounting period is the official financial year. At their fourth meeting held at New Delhi on the 8th November, 1954 the Central Board of Trustees recommended to Central Government an interest at the rate of 3% during the period 1954-55 for credit to subscribers' accounts. Government of India accepted the recommendation and interest was accordingly calculated on the opening balances of the members of the Fund on the 1st April, 1954 and credited to their individual accounts.

34. The estimated amount available for disbursement to the subscribers in the shape of interest for the period 1954-55 was Rs. 26.53 lakhs, while the total amount of interest credited and that still to be credited in the accounts of the subscribers is estimated at Rs. 26.08 lakhs.

### FORFEITURES

35. The employers' share of contribution forfeited to the Fund in terms of sub-paragraph (2) of paragraph 69 and/or sub-paragraph (1) of paragraph 71 of the Scheme, is credited to the Reserve Account of the Fund. At the second meeting of the Central Board of Trustees held on the 11th November, 1953 at New Delhi, it was decided that the forfeited amount should be utilised for the benefit of subscribers. On the basis of the views of Regional Provident Fund Commissioners the question was discussed at the fourth meeting of the Central Board of Trustees. The Board recommended that the amount lying to the credit of the "Reserve Account" should be utilised for the purposes mentioned hereunder :—

- (i) payment of money order commission on remittances of provident fund accumulations to outgoing members of the Fund or to their nominees or heirs as was being done under the Coal Mines Provident Fund Scheme.
- (ii) grant of financial assistance in emergent cases, where no deposits have been made by employers or the deposits made by them are inadequate to outgoing members of the Fund or their nominees or heirs upto a limit

of 25% of the opening balance in the Reserve Account of the Fund provided that the amount so advanced in any individual case shall not exceed 25% of the member's own contribution to the Fund.

#### ADVANCES, FINAL PAYMENTS AND REFUNDS

36. A member of the Fund can have his life insurance premia paid from his contribution in the Fund. Advance is not permissible for any other purpose. During the year under report a sum of Rs. 2.31 lakhs was paid to 5,051 members on this account.

37. Of the 27,706 claims for refund of provident fund dues received by the regional offices 25,563 or 92% were settled during the period under report. The total amount refunded to members for final settlement of accounts due to discharge, resignation, migration, retrenchment or death was Rs. 35.75 lakhs. A sum of Rs. 71.08 lakhs was refunded to factories which were granted exemption from the Employees' Provident Funds Scheme on institution of equally beneficial provident fund schemes.

#### V

##### MAINTENANCE OF MEMBERS' ACCOUNTS

38. In view of the initial difficulties regarding non-availability of Remington Accounting machines, dearth of experienced staff to handle the machines, non-submission of requisite returns by factories, the annual accounts of subscribers for the year 1953-54 were completed and issued only by the end of September, 1954 by resorting in many cases to block posting. The actual posting of accounts for the year 1954-55 was taken up in the regional offices only in the month of October, 1954 immediately after the issue of accounts for the preceding years. Nearly 85% of the subscribers' accounts for the financial year under review have been completed and despatched. The accounts of a few factories could not be rendered either for want of returns from the employers or for non-deposit of the contributions; Regional Provident Fund Commissioners are taking penal action for recovery of the outstanding amounts.

#### VI

##### INSPECTION

39. Against the sanctioned strength of Provident Fund Inspectors, 38 were employed during the period under review. One post of Inspector at Ajmer remained vacant and the second post of Inspector in Uttar Pradesh was not filled. As stated

earlier, of the 1934 factories covered by the Act, 531 were exempted and 1403 non-exempted. According to the standing instructions an exempted factory is to be inspected twice a year and a non-exempted once in three months. The Inspectors in all the regions visited 504 exempted and 1194 non-exempted factories during the period under review. Not all exempted factories could be inspected in West Bengal, Bombay, Uttar Pradesh and Bihar. The Inspectors as well as certain other staff were employed for part of the year on survey of other industries and to collect material with a view to extension of the Act to them. Regional Provident Fund Commissioners have, however, been requested to arrange for more frequent inspections and also to keep a look out for factories which may have evaded applicability of the Act.

#### *Prosecution*

40. Sanction for prosecution was accorded against 172 factories for contraventions of the provisions of the Act and the Scheme such as non-payment of provident fund contributions and administrative charges and non-submission of returns. Of these, 129 belonged to the industries falling under the Central sphere and the remaining 43 under the State sphere. The employers of 24 factories were convicted and 30 were fined an amount of Rs. 4,434/-. There were only 7 cases of acquittal, mainly on technical grounds. The recovery proceedings under section 8 of the Employees' Provident Funds Act were in progress against 133 factories involving recoveries to the extent of Rs. 53 lakhs as provident fund contributions and Rs. 1.37 lakhs as administrative charges. By the end of the year under review recoveries could be effected to the extent of Rs. 29.02 lakhs and Rs. 62,591/- on account of contributions and administrative charges respectively.

### **VII**

#### **AMENDMENTS TO EMPLOYEES' PROVIDENT FUNDS ACT AND THE SCHEME**

41. Although the Employees' Provident Funds Act, 1952 was amended in 1953 it became necessary to carry out further changes in the Act as the actual working of the Act and the Scheme framed thereunder brought to light a number of defects as well as scope for improvement. A social legislation like the Provident Fund law is bound to undergo changes to suit the conditions prevailing at a particular time. The Regional Provident Fund Commissioners were asked to comment on the proposals for amending the Act and to communicate their own suggestions, if any.

42. The proposals for amendment of the Scheme were circulated to members, Central Board of Trustees, State Governments, Regional Provident Fund Commissioners, Regional Committees and all-India associations of employers and employees. On the basis of the comments received from the various interests concerned

the proposals were tentatively settled. The Central Board of Trustees at their fifth meeting held at New Delhi on the 28th March, 1955 desired that a special meeting of the Board be convened to consider the amendments to the Employees' Provident Funds Scheme and a meeting was accordingly held on the 18th July 1955.

43. *Old age benefits in Public Undertakings.*—The Planning Commission in its report on the First Five Year Plan recommended that the benefits of all labour laws which are applicable to private undertakings should be made available to workers in similar public undertakings. In pursuance of this recommendation the Central Government issued a circular in February, 1954 to all Regional Provident Fund Commissioners, State Governments and the Ministries of Government of India with request to furnish information as to whether the State Governments, Ministries or local authorities under them had any factories engaged in any of the scheduled industries that provided provident fund, gratuity or pension benefits for their workers, the rate of contribution provided thereunder, etc. As the data received from the various interests concerned was not adequate for a detailed examination it was considered necessary to examine the salient provisions in the provident fund rules of the various undertakings belonging to State Governments/Ministries so as to find out the deficient provisions therein as compared with the provisions contained in the Employees' Provident Funds Act and the Scheme. The State Governments/Ministries of Government of India were accordingly requested to furnish detailed particulars of the provident funds in public undertakings under their control in the following respects :—

1. Classes of employees eligible for membership of the fund.
2. Qualifying service required for membership of the fund.
3. Rate of contribution of employees & employers.
4. Basis of calculation of provident fund contributions, whether contributions are based on basic wages, dearness allowance, dearness pay, food concessions, etc.
5. Conditions governing eligibility for employers' contribution.
6. Conditions governing forfeiture of employers' contribution in cases of serious or wilful misconduct.
7. Provisions for withdrawal from the fund for purposes other than final settlement, if any.

44. *Decentralisation.*—The Central Board of Trustees, Employees' Provident Fund at their fourth meeting held in November, 1954 suggested to the Central Government to give effect to the proposal for decentralisation of the administration of the Scheme as early as possible. The Regional Committees of Bombay, Madhya

Bharat, Uttar Pradesh and West Bengal were also in general agreement with this proposal. The Government of India have accordingly decided that steps should be taken to decentralise the administration of the Scheme on the lines of the Employees' State Insurance Scheme. The Central Government communicated this decision to all State Governments on the 5th March, 1955.

45. *Extension of the Act to other industries.*—The Planning Commission in its report on the First Five Year Plan recommended that the provisions of the Employees' Provident Funds Act should be extended in gradual stages during the period of the Plan to other industries after it had been put on a sound basis. It also recommended that a programme for extension of the Act to other industries should be drawn up. This question was discussed by the Central Board of Trustees, Employees' Provident Fund at their second meeting held on the 11th November, 1953 at New Delhi. It was resolved that the smooth working of the Scheme should first be ensured and after a review of the position some time in the middle of 1954, plans should be drawn up for extension of the Act and the Scheme to other industries in 1955. In pursuance of this resolution a circular was issued on the 6th January, 1954 to all State Governments, Director, Labour Bureau, Chief Adviser of Factories and Regional Provident Fund Commissioners inviting their suggestions regarding the industries that might be brought under the Act. On the basis of the comments received from the various interests concerned the Central Government tentatively decided that the Act should be extended to fourteen industries which were individually reported to be employing 10,000 workers or more. The list of industries was further elaborated to include the following seventeen industries :—

1. Heavy and fine chemicals including artificial manure.
2. Matches.
3. Edible oils & fats.
4. Printing presses, including printing by letter press, lithography, photography, photogravure or other similar work, or book-binding which is carried on by way of trade or for purposes of gain or incidentally to another business so carried on.
5. Tea factories.
6. Rice, flour & dal mills.
7. Sugar factories & refineries.
8. Glass & glass products.
9. Leather products.
10. Tanneries & leather finishing.
11. Cotton ginning & baling.
12. Rubber & rubber products.

13. Electricity generating, transforming & distributing stations
14. Coir and rope works.
15. Automobile repairing & servicing workshops.
16. Pottery, china and earthenware.
17. Jute baling and pressing.

46. In order to examine the possibility of extending the Act to the seventeen industries it was decided to collect certain basic data in regard to factories of these industries in the following respects :—

1. name of factory and date of its establishment ;
2. number of factories employing 50 or more persons ;
3. total number of employees in the factories during the preceding one year ;
4. number of employees drawing a basic wage of Rs. 300/- or less per month ;
5. total estimated provident fund contributions every month ;
6. number of factories having provident fund, gratuity and/or pension ;
7. number of employees already enjoying such benefits; and
8. probable administrative and/or inspection charges realisable etc.

The Regional Provident Fund Commissioners were accordingly instructed to conduct a survey of the seventeen factory industries in their regions. In accordance with the directions of the Central Government, similar survey was started in regard to plantations and mines of gold, manganese, mica, iron-ore and lime-stone.

## VIII

### IMPORTANT ITEMS OF WORK DONE AFTER THE 31ST MARCH, 1955

47. *Meeting of the Board.* —The Central Board of Trustees, Employees' Provident Fund held their 6th meeting at New Delhi on the 18th July, 1955 to discuss the amendments proposed to the Employees' Provident Funds Scheme. The amendments approved by the Board are at present under consideration of Government of India. The more important amendments are noted below :—

- (i) to amplify the scope of coverage under the Scheme by raising the limit of eligibility for membership of the Fund from Rs. 300/- per month as basic wage to Rs. 500/- per month including dearness allowance and cash value of food concession ;
- (ii) to cover employees working outside the factory premises who are not at present entitled for membership of the Fund ;

- (iii) to exclude an employee employed by a contractor only if he is in any operation not directly connected with any manufacturing process carried on in the factory ;
- (iv) to provide for grant of advances from the Fund not exceeding six months' basic wages of a member or his contribution with interest thereon upto date, whichever is less, for purchase of a house or house-site or for construction of a house ;
- (v) to provide for payment of provident fund dues to a member who has not been employed in any factory to which the Act applies for a continuous period of not less than 6 months immediately preceding the date on which an application is made for withdrawal ;
- (vi) to relax the rules with respect to forfeiture of employer's contribution so that a member with less than 3 years' membership should get 25% of the employer's contribution with interest thereon and with 15 years' membership full employer's contribution with interest. For periods of membership more than 3 but less than 15 years, proportionate payment is to be made.

48. *Recommendations of Regional Committees.*—The Regional Committee for West Bengal which met on the 12th August, 1955 recommended immediate decentralisation of the administration of Employees' Provident Funds Scheme, 1952 and the appointment of a small committee to help the Regional Provident Fund Commissioner in the recruitment of staff. The Regional Committee for Bombay also met on the 12th August, 1955 and recommended extension of the benefits under the Employees' Provident Funds Scheme to all contract labour covered by the Bombay Industrial Relations Act, 1946 and the setting up of a separate Accounts Office at Ahmedabad for administrative convenience. The Committee asked the Regional Commissioner to examine the above questions. The recommendation of the Regional Committee, West Bengal was sent to the Government of India who are considering the question of decentralisation of the administration of the Employees' Provident Funds Scheme.

49. *Amendments to the Act and the Scheme.*—The amendments to the Employees' Provident Funds Act were finalised in light of the comments of members, Central Board of Trustees, State Governments and all-India employers' and employees' organisations. The final form of amendments is under the consideration of Government of India. The amendments to the Scheme which were considered by the Central Board of Trustees at their 6th meeting were finalised in the light of their comments and referred to Government of India for notification.

50. *Constitution of State Boards.*—The Central Government have asked the State Governments to suggest the names of personnel for constituting State Boards for the different States so that they could be vested with administrative powers under the Scheme.

51. *Extension to factory industries.*—Out of the seventeen factory industries surveyed the Government of India tentatively selected eleven industries for being brought under the Act, the six excluded industries being rice, flour and dal mills, leather products, tanneries and leather finishing, cotton ginning & baling, automobile repairing and servicing workshops and jute baling and pressing. The proposal for extending the Act to 11 factory industries which was circulated to Members, Central Board of Trustees, Employees' Provident Fund, State Governments and all-India employers' and employees' organisations for their comments, was finalised by Government of India and referred to the Ministries of Commerce & Industry, Finance and Food & Agriculture and Planning Commission for their concurrence.

52. *Extension to plantations, mines and commercial establishments.*—With the concurrence of the Ministries of Government of India the proposal for extending the Act to five classes of plantations, namely, tea, coffee, rubber, cardamom and pepper was circulated on the 18th October, 1955 to all State Governments and all-India employers' & employees' organisations for their comments; these are still awaited. Reports on the survey of mines of gold, mica, manganese, limestone and iron-ore and commercial establishments such as banking, insurance, hotels, places of amusement, and general trading establishments were submitted to Government of India for considering their inclusion under the Act. Only after suitable amendment of the Act which is under consideration of the Government of India would it be possible to extend the provisions of the Act to plantations, mines and commercial establishments.

53. *Recommendations of Indian Labour Conference.*—The Indian Labour Conference which met in May, 1955, while approving the proposal to extend the provisions of the Employees' Provident Funds Act to other industries suggested that it should be extended to all industries employing 10,000 or more persons throughout India in factories each employing 50 or more persons.

54. With a view to implementing this recommendation a survey of all industries, other than those mentioned in paragraphs 51 and 52, with an employment strength of 10,000 persons or more in factories each employing 50 or more persons was also undertaken. The statistics received in that regard are under examination.

55. *Criterion recommended by the 12th session of Labour Ministers' Conference.*—The 12th session of Labour Ministers' Conference held at Hyderabad on the 3rd to 5th November, 1955 recommended that the criterion proposed for the extension of

the Employees' Provident Funds Act to industries employing 10,000 or more persons was not adequate and that the criterion for this purpose should be the organisation of an industry or a particular undertaking even though the industry may be employing less than 10,000 persons. This recommendation is at present under consideration of the Government of India.

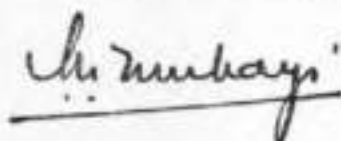

56. *Public undertakings.*—The details of old-age benefits obtaining in public undertakings are under examination. As a result of the scrutiny of salient provisions of the provident fund rules of public undertakings the Ministry of Labour is being requested to approach the various authorities concerned to bring the deficient provisions in the provident fund rules on the lines of the provisions of the Employees' Provident Funds Act and the Scheme.

## IX

### CONCLUSION

57. The period under report is the third year since the inception of the Employees' Provident Funds Scheme. By the end of that period the Scheme had been fairly stabilised. Much of the credit for this success is undoubtedly due to the officers and staff in the Central as well as the Regional Offices who have generally performed their difficult duties with efficiency. The Board consider that this success would have been difficult of achievement but for the able direction and guidance of Shri Vishnu Sahay, I.C.S., both as Secretary of the Ministry of Labour and as Chairman of the Board. The Board also wish to take this opportunity of thanking the Ministries of Labour, Finance and Law for the advice given by them and for the sympathy with which they dealt with the large number of problems referred to them. The Board also express their gratitude to the various State Governments, employers and employees, whose assistance and co-operation helped in the smooth administration of the Scheme.

Yours faithfully,

S. N. MUBAYI,  
*Secretary,*

Central Board of Trustees, Employees'  
Provident Fund.
