No. HRD/15/2017/Award Scheme/127

Dated: 30.10.2017

31 OCT 2017

CIRCULAR

Sub: Awards for Excellence in Key Performance Areas for the year 2017.

It may be recalled that an award scheme for Excellence in Key Performance Areas was put into place from 1st April, 2017 vide circular No. HRD/15/2017/Award Scheme/139 dated 03.04.2017.

2. The performance of the offices has been assessed on the parameters indicated in the circular referred above on the basis of data in the EPFO E-samiksha portal by a committee of officers constituted for the purpose.
3. Based on the recommendations of the Committee that the operational challenges of larger offices i.e. offices with more than 3 lakh contributing members are of a different scale than smaller offices i.e. offices with less than 3 lakh contributing members, it has been decided that awards will be given to best performing office and the second best performing office under each category. Apart from these, one District Office has also been selected for best performance on the basis of assessment of recommendations received from concerned Zonal Offices.
4. It is also a fact that a number of IT initiatives have been taken in the recent past with a view to provide more and more services through online means. The IT initiatives include facilities for online claims, 'Aadhaar' based digital life certificates, integration of services through UMANG mobile application of the Government, etc. These initiatives have enhanced the level of service delivery for the organization and are a step in the direction of Digital India initiative of the Central Government. In view of this it has also been decided to present a award for Excellence in IT to the Best Performing IT Team of EPFO. The

recommendations of the Information Services Division was relied upon to determine the best IT Team for the award.

3. Based on the performance data for different offices and the assessment made for District Offices and the best IT Team as above, awards for Excellence in Key Performance Areas for the year 2017 are approved as follows:

CATEGORY I (Larger offices having more than 3 lakh contributing members)		CATEGORY II (Smaller Offices having less than 3 lakh contributing members)	
Outstanding best performing office	Outstanding second best performing office	Outstanding best performing office	Outstanding second best performing office
Regional Office Surat	Regional Office NOIDA	Regional Office Kollam	Regional Office Vatwa

Best District Office	Silchar
----------------------	---------

Best Performing IT Team	Unified Portal Team, NDC, New Delhi
-------------------------	-------------------------------------

4. The result sheet of the assessment are attached. All Offices are advised to accelerate their efforts and bring improvements in their performance against these parameters so that there is healthy competition among offices for securing the best office award for the next year.
