Madam/Sir,

Kind attention is invited to Head Office orders No.HRM-1/D-1(1)2017/CR/17462 dated 13.01.2017 and No. HRM-I/D-I(1)2017/CR/49 27.01.2017 on restructuring of Zonal/Regional Offices consequent to implementation of Organizational and Cadre Restructuring in EPFO. With respect to the distribution of workload amongst the newly created Regional offices, Head office had forwarded vide communication cited first above, a system based report on workload distribution in terms of the average contributing members on the basis of geographical proximity of establishments (based on PIN code distribution) in the concerned office to concerned Additional CPFC (Zones) for further examination and sending their recommendations with due consultation with the respective RPFCs in-charge.

2. In response, Zonal Additional CPFCs have forwarded their recommendations vide the letters cited at Sl. No. 2-6 above. The aforesaid recommendation of Zonal ACCs were also placed before a Committee of Senior Officers constituted at Head Office by the Central Provident Fund Commissioner. After considering the recommendations of the Committee, the Competent authority has approved the following basis for the bifurcation of the newly created Regional Offices:-

- i. A uniform nomenclature should be adopted for the new Regional Offices which will have the name of the office from which the offices were carved out - followed by numeral suffix without indicating their area names. The erstwhile office from which

other offices are carved out will, in all cases have the numerical suffix "1" e.g. Pune-1 will refer to the erstwhile RO, Pune and so on. There is no need for a name descriptor separately.

- ii. In the case of Bandra, a Special Corporate Office had been created. The establishment handled by the Corporate office may be distributed among four offices of Bandra. Each bifurcated office will have a Corporate Cell to handle such establishments, thereby retaining the character and purpose for which the Special Corporate Branch was opened, in each of the newly formed offices.
 - iii. The proposed distribution of the workload given by the respective Zonal Addl. CPFC was found acceptable considering that the contiguity has been maintained for each office.
 - iv. Since the proposed distribution is as per the PIN code and includes the number of exempted establishments, such exempted establishments that are falling under the jurisdiction of the respective Regional Offices shall be reporting compliance accordingly.
 - iv. The Office ID for each office can be provided by the IS Division in the normal course after orders are issued confirming the distribution of the workload (as per the recommendations of the Zonal Additional CPFCs).
 - v. Regarding the distribution of officers and staff, HRM may re-allocate staff and officers based on the revised distribution of the workload (as tune with the recommendations of the Zonal Additional CPFCs).
3. The distribution of workload amongst the new Regional Offices shall be as per table below:
