Madam / Sir,

Our Organisation takes up publicity campaigns from time to time to create awareness amongst the EPF stakeholders about the various initiatives related to their benefits and hassle free services. Recently, awareness campaign on Universal Account Number (UAN) and Employees' Enrolment Campaign in print, electronic, outdoor and digital media have been launched out of which campaigns in outdoor and electronic media (TV / Radio) are running across the country for enrolment of all eligible workers under EPFO.

2. In order to ensure that these campaigns are running effectively as per the approved media plan, it has been decided that the details of the media plan be shared with field functionaries also to get a feedback on the same.

1. **Newspaper Advertisement**

EPFO periodically publishes advertisement in newspapers to create awareness about the organisation and its activities. From now onwards whenever a print advertisement is published in newspapers, the list of approved newspaper in which advertisement is being published will be sent to the field offices. The concerned field functionaries may verify that the advertisement has been published in those newspapers as per approved media plan or not. Confirmation about publication of advertisement may also be sent by e mail on the same day followed by paper cutting by post.

II. TV Advertisement

The Media plan for TV advertisement campaign gives details of the TV channels and time slots in which advertisement will be broadcasted. Whenever, a TV campaign is run by EPFO, approved media plan will be sent to field functionaries. Concerned RPFCs will be required to keep track of the TV advertisement on channels related to their region listed in media plan. It requires to be verified randomly that the advertisement is being run in the right time slot and right frequency as mentioned in media plan. A feedback may to be sent within two days of the end of media plan.

At present two TV advertisements (Factory & Award versions) on EPFO are being broadcasted on TV channels to spread awareness about Employees' Enrolment Campaign. A media plan is enclosed herewith. The current media plan will be valid till 28th June, 2017, after which advertisement on all the channels will be stopped. You are requested to do the needful as mentioned above.

Concerned RPFCs will be required to keep track of the radio advertisement, randomly, on channels of their region, listed in media plan and it may be confirmed that the advertisement is being run in the right time slot and right frequency as mentioned in media plan. A feedback requires to be sent regarding the same within two days of end of media plan.
