Sub: e-Nomination facility for the EPF Members – regarding.

Madam/Sir,

This is to inform that e-nomination facility for the EPF Members has been launched on the Member Portal and members having Aadhar linked and verified can file their nomination online.

2. This facility has been developed by C-DAC and the e-sign facility has also been developed by them. Filing of the online Pension claims is dependent on the availability of e-nomination by the member. Availability of the e-nomination will also help in actuarial valuation of the Pension Fund.

3. A message is being displayed in the login of the member to file their e-nomination. The list of such employees who have not filed the nomination is also displayed in the login of the employers. Under the MIS2.0 a dashboard has been provided for the list of such cases without e-nomination.

4. It is therefore requested to take up the matter with the employers so that the members file the e-nominations at the earliest since the upcoming claim settlement modules are being designed to check this feature as compliance.

Yours faithfully,

(Handwritten signature)
