**Subject:** Transfers of SSA/SSSA for the year 2023-Assigned and Blocked Posts Reg.

**Reference:** Circular No. A-22015/1/2023-HRM-V/15270 dated 23/01/2023

**Sir/Madam,**

As per the provisions of the Transfer Policy for SSA/SSSAs, the posts are required to be assigned and blocked in respect of each Regional Office and among three functional categories of each office.

2. To assign posts among Regional Offices, current workload (Year 2021-22) in respect of total claims received and no. of contributory establishments has been taken. And, to assign number of posts among three functional categories, criteria as taken in last Cadre Restructuring has been adopted. The factors used in CR have been applied on current workload (Year 2021-22) to decide the ratio for allocations. This ratio then has been used to distribute the current 'in position' strength in functional categories & in different Regional Offices of a state subject to the total in position availability of the state and the total sanction of the concerned Regional Office.

3. During the exercise, it has been observed that in a few offices there is over staffing and in another few offices sanctioned strength is inadequate in comparison to current workload and hence there is need to correct these discrepancies. The current exercise limits the allocation to the ceiling of sanctioned strength. The sanctioned strength on the basis of workload is expected to be resolved once the rationalisation exercise/work study being carried out is completed, and with the induction of new SSAs for which recruitment process is undergoing. Meanwhile, to manage the extra workload of these offices, the functionality of multi-location claim settlement may be used for which procedure is already in place.

4. Accordingly, Regional Office wise and in the three Functional Categories (in each Regional Office) wise assigned and blocked posts are attached herewith as Annex A. Depending on the workload, OICs can re-assign the posts (up to ten percent of

total assigned) among the Functional Categories as per requirement with reasons to be recorded in writing and communicated to concerned Zonal Office.
