Sir/Madam,

As you are aware that Pandit Deendayal Upadhyay National Academy of Social Security(PDNASS) is organizing an Induction Training for theDirect Recruit Social Security Assistants (SSAs). There are 1,808 numbers of SSAs, to whom Induction Training is to be imparted. The Training Program will be of three weeks and will be conducted in the Hybrid Mode. The three weeks' Hybrid Program shall be conducted in the following three sequential phases:

1. Phase – I: Learning through iGOT - First Week:

Integrated Government Online Training platform (iGOT) is a comprehensive online platform envisaged to guide individual officials in their capacity building journey and enable one to become best version of oneself. Inspired by the philosophy of the Mission Karmayogi, the SSAs will have an opportunity to learn through the content that has been created by Government Departments/Organizations/knowledge partners.

Let Humanity Be Served

This will enable the officials to discharge their duties more effectively, thereby enhancing government execution capabilities. Through these hubs, the platform will eventually enable online, face-to-face, and blended learning; facilitating discussions through topical forums, managing career paths, and enabling reliable assessments that credibly signal competencies of officials.

The modules have been carefully crafted and vetted by the *Best-in-Class* institutions, universities, private content providers and individuals. A total of 21 (twenty one) Modules, relevant to our needs, have been selected for the first phase. The list of modules is available at **Annexure -I**.

All trainee SSAs are directed to register themselves on iGOT learning platform by 03.08.2023 (if not yet done) (<https://igotkarmayogi.gov.in/index.html#igotcourses>), enroll into the modules included in **Annexure - I** and attend the online modules. Successful completion of the requisite iGOT courses (First Phase) is an essential pre-requisite for the trainee SSAs to be considered for Second Phase of the Training.

All ZOs/ROs/DOs will ensure that trainees devote the Official working hours on iGOT Training. The trainees shall provide **"Certificate of Completion"**, generated by iGOT upon completion of the module, to Local Course Directors of ZTIs at the time of attending the training at ZTI for the third phase, failing which trainees will not be allowed to attend the third phase.

The OICs will ensure that all trainees have completed Phase-I and downloaded the "Certificate of Completion" of the modules before relieving them for the Third Phase.

The First Phase of the Training for Batch – I will commence wef 07.08.2023. The dates of commencement for subsequent batches are included at **Annexure – II**.

2. Phase – II: Digital Face-to-Face Program – Second Week:

After successful completion of Phase –I, the Batch of Trainee SSAs will continue training for five days through online classes to be attended by the participants from their respective offices. The Classes will be conducted through a suitable web based service application. The link to the class will be directly provided by the concerned ZTIs, three days before the commencement of the class. Team PDNASS has designed the Online Session Plans as mentioned in **Annexure - III** in

such a manner that participants shall have holistic view of the topics covered. Efforts will be made by the Team PDNASS and the ZTIs to provide the best of the faculties available. Participants are expected to make these classes as interactive as possible. The Dos and Don'ts for the participants are contained in the **Annexure-IV**.

The OICs of respective Offices are requested to provide a conducive environment to the cohorts along with the requisite physical infrastructure for first two phases, so that the learning process can meet the training goals. These sessions should be monitored by the RPFCs to ensure attendance, discipline and seriousness.

The Second Phase of the Training for Batch – I will commence wef 14.08.2023. The dates of commencement for subsequent batches are included in **Annexure – V**.

3. Phase- III: Physical Training Sessions at ZTI – Third Week:

The last phase of the training will be a residential program and will begin at the ZTI upon successful completion of first two phases.

The Third Phase of the Training for Batch – I will commence wef 21.08.2023 taking up the topics (Course Content) as contained in the Session Plan provided at **Annexure - VI**. The dates of commencement for subsequent batches are annexed at **Annexure – VII**.

All the participants of requisite batches are required to attend the physical Training at the ZTIs mentioned against their names at **Annexure –VIII**.

4. RPFC-II posted at ZTIs will be the Local Course Directors and will be responsible for the smooth execution of induction training program. RPFC-I of ZTIs will be overall responsible for smooth conduct of training under the guidance of ACC in-charge of ZTI, who will closely monitor the progress of the program. The details of the Local Course Directors are annexed as **Annexure – IX**. Since, the batch size of ZTI Kolkata is comparatively smaller, therefore the Online Classes for ZTI Kolkata and ZTI Chennai will be conducted jointly by the Local Course Director for Online Course of ZTI Kolkata.
5. The details of first five batches for three phases has already been provided as per **Annexure-I, V & VII**. The details of remaining batches will be issued separately.

6. The Induction Training Joining Formalities and instructions for the induction Course are enclosed as **Annexure-X**. All trainees are requested to go through these instructions meticulously for strict compliance.
7. All the OICs are requested to advise the SSAs nominated for the said program to attend all the three phases and to impress upon them about the need to adhere to the program guidelines.
8. This training is pre requisite for appearing in the probationary examinations. Thus undergoing this training is compulsory.
9. No exemption from the training program is permissible.
10. All OICs will ensure successful completion of all three phases of aforesaid training program as per schedule.
11. Additional CPFC of the Zones will closely monitor the progress. All Zonal Offices will provide requisite details of progress in r/o Phase-I and Phase-II through spreadsheets (format will be provided separately).
12. The cooperation of all concerned is solicited in making the Induction Training Program a "Journey of learning through involvement".

Yours Faithfully
