RPFC-I/RPFC-II
In-charge of the Regional Office/PDNASS Campus/
ACC (ASD), Head Office.

Subject: Instructions on Schedule of Fixed Assets, Classification of Assets and Rates of Depreciation- regarding.

Madam/Sir,

Circular No. BSC-12(3)2014-15 dated 24.06.2016 and BSC-6(1)2020-21/AssistdeputCAG/11279 dated 10.10.2022, whereby the schedule of fixed assets was provided for seeking information from ROs along with the instructions, has been reviewed in detail.

Since in the Financial Year 2025-26 the sub-heads of the Schedule of Fixed Assets have been aligned in accordance with Head Office Circular No. BUDGET/RE_2024-25 & BE_2025-26/E-885482/5637 dated 14.11.2024, the Rates of depreciation have also been realigned accordingly.

In supersession of Circular no. Budget/45/2016-17/2017-18/Main/12073 dated 08 September 2017, the Revised Explanatory Notes and Depreciation Rate chart are enclosed. All the Offices are requested to compile the details of Fixed Assets in the Schedule enclosed with this letter as Annexure I by referring to the instructions attached herewith.

This issues with the approval of the Competent Authority.

Yours Faithfully

(G. R. SUCHINDRANATH)
ACC (F&A)

[A] Explanatory Notes: For compilation of Schedule of Fixed assets

1. Up to 2015–16, Land and Buildings were presented together. In the revised format (from 2015–16 onwards), Land is shown separately and classified as **Freehold Land** and **Leasehold Land**.
2. Expenditure on items costing more than ₹5,000 and having a useful life of more than one year shall be capitalised as assets. Depreciation on such assets shall be treated as expenditure for the year.
3. Expenditure on assets costing less than ₹5,000 shall be treated as revenue expenditure.
4. All fixed assets (except Land and Buildings) acquired prior to 01.04.2015 are valued at a nominal value of ₹1 per item. Accordingly, for such assets, the number of items under each head as on 01.04.2015 shall be considered as their opening value for the year.

For Calculation of Depreciation:

1. Depreciation on fixed assets shall be provided using the **Straight-Line Method** as per the provisions of the Companies Act, 2013 (as amended).
2. Full depreciation shall be charged on assets used for more than 180 days during the year, and half depreciation shall be charged where the asset is used for 180 days or less. Accordingly, the date of purchase and period of use during the financial year must be considered.
3. No depreciation shall be charged on Freehold Land.
4. Leasehold Land: The lump sum lease premium shall be amortised proportionately over the lease period. If the asset is used for more than 180 days in the year of acquisition, full amortisation shall be charged; otherwise, half the rate shall apply.
5. Freehold Buildings: Depreciation shall be provided as per the normal prescribed rates.
6. Leasehold Buildings: In case of buildings acquired on lease (e.g., from government agencies) against lump sum payment for a specified lease period, depreciation shall be provided on a Straight-Line Method over the lease period, similar to leasehold land.
7. Gross Block:
 - The opening balance represents the cost/valuation of assets at the beginning of the year.
 - Additions during the year shall include the cost of assets acquired under respective heads.
 - Depreciation shall be applied on such additions as per the prescribed rates.
8. Upon expiry of its useful life, the asset shall be depreciated to a residual value of ₹1 and shall continue to be carried in the books at ₹1 until it is disposed of or scrapped.
9. Transfer of Fixed Assets:
 - In case of transfer of assets between Regions, the transferring office must provide complete details, including date of purchase, cost, accumulated depreciation, and book value.
 - For assets received from other Regions:
 - The original cost shall be recorded under “**Additions during the year**” in the Gross Block.
 - The accumulated depreciation shall be recorded under “**Depreciation of Fixed Assets Transferred from Other Regions.**”

[B] Detailing of Heads of Schedule of fixed Assets:

For the heads mentioned below, separate account heads shall be maintained in the ledgers and reconciled with the Fixed Assets Registers:
