

PRESS NOTE

EPFO, Head Office, New Delhi
1st March, 2018

Employees' Provident Fund Organisation (EPFO) is committed to provide better services with its continuing e-governance initiatives. To achieve this goal and strengthen the IT backbone, EPFO has established three data centres at Gurgaon, Secunderabad and National Data Centre, Dwarka, New Delhi. To control, monitor and manage the technical performance of all the three data centres, a 24 X 7 Global Network Operation Centre (g-NOC) has been established at National Data Centre, Dwarka.

Recognizing the e-governance initiatives of EPFO, it has been awarded the prestigious "**Technology Sabha Award**" by Express Computer, Indian Express Group under the Category - Data Centre. The award was given on 23rd February, 2018 during the 23rd edition of Technology Sabha held at Indore.
