2 AGREEMENT

- 2.1 The owner agrees to entrust the day to day repairs and annual repairs work of its various movable or immovable properties, as may be indicated from time to time and executing agencies agrees to execute the same. The M/s. _____ shall be paid the actual cost and Agency charges ____ % (____ percent) which includes its overheads, architect fees, drawing/design fee if any and work charge establishment. The Executing Agency will set up a separate wing in their organisation having both civil as well as electrical units under one single authority to exclusively look after the Repairs and Maintenance work of E.P.F.O. The Offer-in-Charges of this wing will be responsible for ensuring effective and proper Repairs and Maintenance of both civil as well as Electrical Work.
- 2.2 The estimate will be submitted in respect of both civil and electrical works indicating the items required to be executed under the two heads. The executing agency shall prepare the estimates for annual repairs and maintenance requirements for each property (or group of properties) separately with in the rates approved by CPWD and submit the same to R.P.F.C. latest by April every year, indicating the work to be done in consultation with the custodian of the concerned properties. The owner shall release 50% of the estimated amount required for annual repairs and maintenance to executing agency by the start of the month for the year annual maintenance is signed. The amount spent by the Executing Agency out of this advance shall be paid on the basis of bills submitted in respect of the work done as actual expenditure received in form of expenditure statement duly audited and certified from occupant/custodian of the property certifying satisfactory completion of the work done by the agency. However, as soon as the total amount of the bills sanctioned equals the amount of advance referred above, the bills thereafter shall be adjusted against the money lying with executing agency as advance paid in the beginning of year till it is exhausted or till the end of the year, whichever is earlier.
- 2.3 In case of major external services, separate estimates for external service shall be prepared and submitted giving full justification for the need for framing such estimates. Funds shall be released against such estimates only if the owner is satisfied with the justification given by executing agency.
- 2.4 The estimates for maintenance of electric installation like water-pumping system, air-conditioning, lift etc would be framed on the basis of assessment of actual requirement. The actual requirement shall be supported with the cost of the labour and items for which the fund is required.
- 2.5 The replacement of bulbs, fluorescent tubes etc would be outside the scope of the work allotted to executing agency.
- 2.6 The expenditure incurred by the executing agency on account of the fee payable for mandatory inspection of installation by the civil agency and taxes levied by local body will be out side the estimate for annual repair and maintenance and separate bill will be submitted for the same.

1. The term 'Actual Cost' shall include but be restricted to the following:-
- Cost of all materials brought at E.P.F.O. site required for maintenance and other associated jobs related to maintenance of EPFO Complex and the value of any other materials supplied by the EPFO for use on the works.
